86,929,461		6.940000				

Please note that the general town tax rate is charged throughout a town including villages, if any. The unincorporated tax rate is charged in town areas outside of villages in towns that have villages. Therefore, if you live in the unincorporated area of a town that has villages you must add the two rates together to compute your total tax rate. In Greenburg the general town rate is charged only in the villages and the unincorporated rate is charged only outside the villages.
