*There is a separate City of Peekskill library tax						
**There is a separate Town of Cortlandt library tax which applies to the entire town except the Village of Croton-on-Hudson parcels.						

Please note that the general town tax rate is charged throughout a town including villages, if any. The unincorporated tax rate is charged in town areas outside of villages. Therefore, if you live in the unincorporated area of a town that has villages you must add the two rates together to compute your total tax rate. In Greenburgh the general town rate is charges only in the villages and the unincorporated rate is charged only outside the village
